# MINIMUM ADVERTISED PRICE POLICY

Effective Date: January 1, 2019

PetGuard Holdings LLC has determined that advertising its products at prices below certain levels undermines PetGuard Holdings LLC reputation and brand and discourages PetGuard Holdings LLC retailers from investing in the growth of PetGuard Holdings LLC product lines, generating a sustainable profit margin for retailers providing the best possible service and support to consumers. Therefore, PetGuard Holdings LLC has adopted this Minimum Advertised Price ("MAP") policy (the "Policy"), which applies to all Advertisements (as defined below) of PetGuard Holdings LLC products by all distributors, retailers, dealers and other resellers of PetGuard Holdings LLC products (hereinafter, "Resellers").

## MINIMUM ADVERTISED PRICE

MAP is established solely by PetGuard Holdings LLC and will be communicated to all Resellers. The products, Suggested Retail Prices ("SRPs"), and MAP may be changed from time to time at PetGuard Holdings LLC products in any and all media as well as any advertising within brick and mortar retail stores or other selling venues.

The MAP pricing as of the Effective Date is 15% off of SRP

An "Advertisement" includes any and all promotional or pricing information accessible to consumers via any type of media, marketing, or promotional materials, including without limitation:

- Flyers, posters, coupons, mailers, inserts, newspapers, magazines, catalogs, mail order catalogues, internet or similar electronic media including web sites, email and email solicitations, newsletters, television, radio, public signage, trade shows, billboards; and
- all forms of internet advertising, including, without limitation, all websites and website pages and banners, social media, emails, blogs, portal sites, and search engines (including but not limited to Google, Google Shopping, Yahoo, etc.) whether or not products are sold from those sites. This includes prices listed in emails, search engines or placement of ads on any other website, including natural or paid search engine listings, shopping sites, marketplaces and auction sites. Internet sites that ask customers to utilize their shopping cart as a way of displacing pricing are in violation of the Policy. At no time may the Reseller make any statement on its website or other sites in connection with any product that indicates or implies that a display a lower price that the MAP and offering a link your website or to display a lower price than MAP is prohibited.

Direct or indirect attempts to circumvent this Policy will be considered a violation of the Policy. Such attempts may include, but not limited to:

- The use of any discount, gift card, coupon, giveaway, rebate offer or incentive (whether in the form of a special event, promotion, condition to doing business or otherwise) in any advertising by a Reseller where the cumulative effect is to reduce the advertised price of any product(s).
- Advertisements that bundle or include free or discounted PetGuard Holdings LLC
  products with other products or services (whether or not manufactured by PetGuard
  Holdings LLC) if such bundling has the effect of discounting the advertised price of the
  PETGUARD HOLDINGS LLC product below the MAP. In case of bundles, the
  advertised price of the bundle must be equal to or greater than the total of the MAP of

each product (from PetGuard Holdings LLC or from other manufactures) in such bundle. If other manufacturer products in the bundle do not have a MAP, then retail prices must be used. Other manufacturer products may be advertised as giveaways with the purchase of any PetGuard Holdings LLC plus the MAP or SRP of the other product.

• For multipack offers the MAP of the multipack is quantity of product in the multipack multiplied by the respective MAP of the products that comprise said multipack.

An "Advertisement" shall not include any in-store advertising that is displayed only in the store and not distributed to any customer. In-store displays, point-of-sale signs, hangtags or bar codes or similar marks on products or product packaging that merely states the related product's price are not considered "advertising". Discontinued merchandised approved by PetGuard Holdings LLC are excluded from the MAP policy. This Policy does not establish maximum advertised prices. All Resellers may offer products at any price in excess of the respective product MAP.
